

The Breast Cancer Second Opinion Clinic

Offering guidance and peace-of-mind

The free OhioHealth Breast Cancer Second Opinion Clinic provides a personal and complete consultation with all the experts, giving you the tools you need to reduce your anxiety, increase your comfort level and feel confident about your own personal treatment plan.

If you have questions about your diagnosis or treatment options, our entire team of breast cancer specialists will meet with you and your support person, as a part of our Breast Cancer Second Opinion Clinic, the only one of its kind in central Ohio.

In the OhioHealth Breast Cancer Second Opinion Clinic, you will receive:

- + An examination by a breast cancer specialist
- + Extensive case review and treatment recommendations by a multi-specialty team of clinical experts
- + Answers to your questions
- + Final recommendations shared with you and your treating doctor

OhioHealth is pleased to offer this vital service free of charge to the community.
